

Appendix 1 (October 2025)

List of current CNS tumour type and discipline working groups

CNS tumour type working group

Low grade glioma (LGG)

High grade glioma (HGG)

Ependymoma (EP)

Embryonal tumours

Germ cell tumours (GCT)

Atypical teratoid rhabdoid tumor (ATRT)

Craniopharyngioma

Choroid plexus tumours (CPT)

Discipline working group

Quality of survival

Imaging

Neurosurgery

Radiotherapy

Training and education

Young investigators

Biology and Pathology

Liquid biopsy

Nursing
